Okay, thanks. No idea why he says it emanates from the UAE. I will ask.

Hi Neil

Ok - following up on our last conversation regarding Stewart's findings I instructed NTI to search and recover what may be on them; that's underway and I'm sure they'll try to analyze where the sites came from.

If Stewart can provide you the site addresses he is finding we may be able to avoid duplicating efforts. How does he know it was set up in the UAE?

I expect we'll get initial results this week.

Travel well.

Nick,

I've had another call from Stuart who confirms again that there is a website on FA. He seems to think it's been generated from a UAE source. I've asked for details. He said he would try and get them to me. Can you undertake a search for it?

Neil.

Good morning. I have been informed by Stuart last night that there is an internet site that is carrying a huge amount of material relating to FA – I will get you the link later. I have asked Neil to have a team start reviewing the material as a matter of urgency. At this time, I have no idea whether this relates to us or whether it is of value in respect of our ongoing dispute with KM. More importantly, I cannot tell you whether there is anything on the site about which we should have any concern. Clearly, it would be very interesting to know who is behind this action – Stuart tells me it is UAE based. We will speak later.
